

## Old Fashion Yorkshire Pudding

From Tom and Mary Kay

Pan drippings and pieces from roast

1 cup flour

1 cup milk

3 eggs

- Scrape drippings from pan into 9 x 16" glass baking dish. Make sure bottom of dish is covered.
- Pour mixture over drippings.
- Place in 425 degree oven for 10 to 15 minutes.
- Don't peek, middle will peek, sides with rise.

I could not find any pictures that went with "Yorkshire Pudding", but given the admonishment "don't peek", figured it **COULD** be a towel throwing recipe.
